VOLUME 26 YPSILANTI, MICHIGAN, OCTOBER 18, 1928 NUMBER 4

## GREEN AND WHITE HARRIERS CONQUER OHIO NORTHERN U.

**CLIFFORD BOYD TAKES EARLY LEAD FOR YPSI, BUT OHIOAN WINS**

## BALANCED TEAM IS YPSI'S STRENGTH

**Detroit Y. M. C. A. To Face Coach Olds' Men at the Motor City on Saturday**

The Michigan State Normal College varsity cross country team won its second consecutive victory of the season by downing the strong Ohio Northern University team 26 to 29.

Running his second race on the Ypsi varsity, Clifford Boyd, of last year's freshman aggregation, placed second for the Green and White after leading the field over a greater part of the four mile grind. Boyd was leading Pankow, Buckeye ace, until the three mile mark was reached. Here Pankow came abreast of the Ypsi runner and soon after took the lead and reached the tape 12 seconds ahead of Boyd in the very fast time of 21:45 minutes.

Stroh of Ohio Northern took third and Captain Frank Altaffer of Ypsi came in fourth. Criger and Wolfe took fifth and sixth for Coach Olds' harrier team, with Stoner and Stewart of Ohio coming in for seventh and eighth place respectively. "Bill" Bailey of the Normal was ninth and Masters of Ohio tenth.

Lloyd W. Olds, track and cross country mentor, was well pleased with the performance of his men. He seems to have a team made up of a group of good runners with no outstanding stars. Team balance is essential to a strong harrier squad and that, Ypsi seems to have.

The order of the finish was as follows: First, Pankow (O); second, Boyd (Y); third, Stroh (O); fourth, Capt. Altaffer (Y); fifth, Criger (Y); sixth, Wolfe (Y); seventh, Stoner (O); eighth, Stewart (O); ninth, Bailey (Y); and tenth, Masters (O).

## CHRISTMAS CONCERT DATE IS CHANGED

This year the Christmas concert given by the Normal Choir under the leadership of Frederick Alexander, director of the Conservatory of Music, will be presented December 12 instead of one day later. The date has been changed out of courtesy to the Fritz Kreisler recital in Ann Arbor on December 13.

The choir is composed of 200 singers. In the Christmas concert choirs of children will assist and old instruments will be played.

The admission for the concert will be 50 cents, the fee to be used to establish a fund for the concert course for next year. No seats will be reserved except for groups from out of town schools.

## VARSITY HARRIER SQUAD WILL MEET DETROIT 'Y' TEAM

Coach L. W. Olds and his undefeated harrier team will go to Detroit on Saturday where they will face the veteran cross country team representing the Detroit Y. M. C. A. The run will be over the Belle Isle course which is noted for its long strips of cement. Ypsi's well balanced squad will be forced to the limit to win over the Detroit "Y" outfit.

Coach Olds is hoping that his team will come through for its third straight victory. Captain Altaffer, Boyd, Wolfe, Bailey, E. Smith and Criger will comprise the Ypsi team again.

Homecoming, an annual college event, will occur on November 10, 11 and 12. Committees have been appointed and are now at work on the program.

## SENIORS COP SECOND PLACE IN TENNIS MEET

The seniors took second place in the interclass tennis tournament by virtue of a forfeit from the juniors. House and Bentley comprise the degree team. They will be awarded silver medals as runners-up. Langley and DeLong, sophomores, who won first place, will receive gold medals, according to Intramural Director L. W. Olds.

## VARIED PROGRAM IS PROMISED IN FACULTY RECITAL

**CONSERVATORY ARTISTS WILL PRESENT MODERN, CLASSICAL SELECTIONS**

Miss Grace Emery, pianist, and Carl Lindegren, basso cantante, will appear in joint recital Monday, October 29, in Pease Auditorium. This is the first faculty recital of the fall term series.

The program will be published in full in the next issue of the Normal College News. Miss Emery's selections will include the Italian Concerto of Bach, and a group of modern compositions. Mr. Lindegren will present old airs, classic songs, and a Verdi Aria with a group of modern compositions. Both artists will be accompanied by Mrs. Lorinda Clifford.

Faculty recitals begin promptly at 8 o'clock. After that time the doors are kept closed except between groups. The fall series is given without charge.

## BEHAVIORISM TOPIC OF FACULTY CHAT

"Behaviorism—Is It Psychology?" was the topic of the first faculty chat of the year, held in the training school auditorium on Thursday, October 11, at 4 o'clock. Dr. Norris and Mr. Misner led the discussion.

Miss Phelps of the science department, who sponsors the faculty chats, announced the next chat, which is to be held Thursday, October 18, in the art gallery. At this time, members of the faculty will discuss and exhibit souvenirs which they have brought from abroad.

Irene Waldorf, chairman of the faculty chat committee, introduced the speakers.

"Mankind from time immemorial has been interested in behavior," declared Dr. Norris, in opening the discussion. He showed how there is behavior not only in humans and in animals, but also in electricity, wood, steel and every other substance. "Everything continually achieves its existence," he said, adding that the difference between the existence of humans and that of inanimate things, is that our mechanism is more complex.

In speaking of responses, Dr. Norris said that a response is more effective if the muscle or receptor is in a state of readiness. This is true of a runner when he is waiting for the signal that starts the race. His readiness makes his response more quick and effective. "The things we do are largely determined by the attitude we already have," said the speaker.

In speaking of conscience, Dr. Norris discussed the derivation and meaning of the word, showing how it came from "con" meaning "together with" in Latin and "scientia" the present participle of "scio." The meaning of the word is, therefore, "knowings going along with doings."

The speakers discussed the question of sight and colors, showing how the color is caused by the rods and cones in the eye, rather than by colored light waves, or color in the object, as people commonly think.

In closing, Dr. Norris pointed out the fact that behaviorism is a complicated thing, and that there is much progress yet to be made in it.

All-college party Friday night.

## LEAGUE SUPPLIES INFORMATION FOR STUDENT VOTERS

**AID IS GIVEN CONCERNING ABSENTEE REGISTRATION AND VOTING**

## MISS BUELL WILL ACT AS NOTARY

**Professors Pittman and Hover Speak on Platforms of Leading Parties**

Many students who will not be able to be at their homes on election day are taking advantage of the service offered by the League of Women Voters in supplying information to both men and women concerning absentee registration and voting. A table is maintained in the main corridor. Here students may obtain help in voting by mail. Miss Bertha Buell, faculty adviser of the College League of Women Voters, has received her commission as a notary public so that she may notarize the signatures of those who have neglected to register. Attention is called to the fact that the applications of unregistered voters, living in towns of more than ten thousand inhabitants, must reach their city clerk not later than October 20, of those living in towns under ten thousand, not later than October 27.

In order to encourage intelligent voting, the League has secured two faculty members to set forth at next week's assembly the platforms of the two major parties. Dr. Pittman will explain the principles of the Democratic party and its candidate, Alfred Smith; and Professor Hover will talk for the Republican party and Herbert Hoover.

## UNION SPONSORS FOOTBALL TRIP

Wednesday morning, October 10, the first regular meeting of the Men's Union was held in Roosevelt Auditorium. Before the regular business meeting was held, several preliminary speeches were given concerning campus activities.

The first of these talks was given by Coach Lloyd W. Olds, who announced briefly the program of the intramural department, and encouraged the men of the college to "avail themselves of the opportunity to get into these sports." One of the features of the fall intramural program is the golf match to be held at the Washtenaw Country Club. Coach Olds also introduced the intramural class managers. The next speaker was Don Chandler, who spoke in behalf of the Aurora, soliciting the men's co-operation in making this year's annual a success.

Neil Gray explained the organization of the Normal News. He encouraged student opinion and said that the News is always glad to receive news of campus activity. Clinton Fair represented the Y. M. C. A.

The business meeting that followed was presided over by Herbert Smith, president of the Union. The questions discussed were: uniforms for cheer leaders; ways to arouse pep and enthusiasm for football games; and an excursion trip with the football team to some away-from-home game. A special feature of the meeting was a violin solo by Miss Emily Mutter of Howell, accompanied by Elizabeth Harwick of Ypsilanti.

"Bingo" Brown was the last speaker on the program. He encouraged student activity among the men, especially the freshmen, and expressed a desire to see all "get into the drift of campus life."

The first number on the lecture course will be given by the Detroit Symphony Orchestra in Pease Auditorium, Monday evening, October 22, at 8:15. As Dr. Gabrilowitsch is taking a year's leave of absence, the concert will be conducted by the associate conductor, Mr. Kolar.

## PAUL WHITEMAN MAKING EXTENSIVE ITINERARY

The itinerary for the present tour of Paul Whiteman and his orchestra reads more like the plans of a globe trotter than of a concert tour. Starting October 7 Mr. Whiteman gave his first concert at Carnegie Hall, New York City. His engagements now take him to 66 different cities in 23 states and the District of Columbia. From October 7 to December 9, a period of 64 days, the orchestra has one day off. They will appear at Pease Auditorium, conducted by Mr. Whiteman, Tuesday, November 27, at 3 p. m.

## DEBATE PROSPECTS ATTEND MEETING FOR INSTRUCTIONS

**NEARLY 20 MEN REPORT TO PROFESSOR WOOD TO DISCUSS RULES**

Nearly twenty men attended a debate meeting in room 304 last Monday afternoon. It was the first meeting of those men expecting to represent the college in intercollegiate debating.

Professor Wood gave instructions to the prospective debaters concerning the choosing of references, and taking notes on the question: "Resolved, that the jury in trial cases be abolished." He further explained that six or seven minute talks would be given by those participating in the tryouts which are to be held Thursday evening, October 25. The next meeting of this nature will be held next Monday at 4 o'clock. Students who care to enter the tryout should come to this meeting.

## PI KAPPA DELTA HAS 75 AT MIXER

The forensic mixer, held October 11 in the Little Theatre, was considered by its leaders and its participants to be unusually successful, as about seventy-five students were present. Irene Waldorf and Elman Winkleman led the meeting. Group singing and some brief speeches by students and professors of the speech department, explaining the different branches of work in the department, were events of the program. Following, the audience was divided into groups, each of which acted out a given word—debate, assembly, Hoover, and others. A prize was awarded to the "assembly" group, which had given a representation of well-known campus characters that convulsed the audience.

Following the charades, Professor McKay spoke on "Opportunity," the state of being at the gate. "We are not planting pumpkins," he said, "we are planting oaks. It may take years for them to develop."

The group then went to room 304, where, in an autumnal bower of branches, autumnal refreshments were served.

# POWERFUL OFFENSIVE IS FEATURE OF YPSI VICTORY

**COACH E. J. RYNEARSON'S MEN FLASH BRILLIANT ATTACK TO WIN**

## LINE STOPS U. OF M. BACKFIELD STARS

**"Lady" Boyd Furnishes Thrills With 80 and 40 Yard Runs to Score**

Going into the game against the Michigan B team last Saturday with fighting hearts, the Normal gridders displayed a fine brand of football which proved too much for the Ann Arbor boys. After Michigan scored an early lead by Hughes' place-kick in the second quarter, the Ypsi men came back hard to score two touchdowns before the half ended.

The credit for winning this game could never be given to any one player or any two or three players, because every single one of Ypsi's eleven men were in there fighting and working together. Captain Ray Stites, it is quite safe in saying, played one of the best games of football ever to be seen on the college field. Furthermore the stocky leader of the Green and White showed a brand of generalship and sportsmanship which gave his team the pep and "zip" to overcome their highly touted rivals from the University of Michigan.

Leighton Boyd made two very spectacular runs of 40 and 80 yards. The first dash by "Lady" came in the second quarter on a short pass from VanBuren and a sprint of 40 yards through several opposing tacklers along the sidelines. The 80 yard dash was a sweeping run around Michigan's right end. Good interference and fine headwork helped Boyd in his sensational dashes.

The line did some fine work on offense and defense. Vanyo, star guard, repeatedly broke through and stopped the Michigan backs before they could get under way. Abert, Woods, LaVoie, Farmer, Stover, Shoemaker, and Muellich also did some fine work for Ypsi and deserve a lion's share of the credit.

Wilbur Gunnerson and Earl VanBuren must not be denied in paying tribute to the Michigan Normal gridders. VanBuren's fine

(Continued on page two)

## STUDENTS FURNISH ENTERTAINMENT AT GENERAL ASSEMBLY

**VOCAL NUMBERS, RUSSIAN DANCE, HARPSICHORDIST ARE FEATURES**

A student program was presented at the general assembly held in Pease Auditorium Wednesday, October 17, at 10 o'clock. Herbert Smith, president of the Men's Union, acted as chairman.

Chester Gooding of Ypsilanti sang "A Vagabond Song" and "Her Rose"; he was accompanied by Margaret Jones of West Unity, O. Ruth Matheson of Calumet gave the reading of a play. Feature stunts were presented by the Normal gym team. Helen Thumm of Pontiac danced in Russian costume. Joseph Paxton of Ann Arbor, accompanied by Genevieve Forsyth of Farmington, sang "Shipmates of Mine."

Rowena Farwell of Highland Park introduced John Challis, who is a former student of the Conservatory, and is now a master craftsman and harpsichordist at the Arnold Dolmetsch Studio at Haslemere, England. He had with him an octivina, an instrument similar in tone and expression to the harpsichord, although much smaller. Mr. Challis played "The Earl of Salsbury," a composition written for that instrument in 1600. "The Cuckoo," "The Call of the Bird," and "The Tambourine" were other compositions of an early date played by Mr. Challis. The artist pointed out the fact that music of that period was ornamented with trills and graces which our music now lacks.

Richard Stuckey of Detroit and Alton Sayles of Plymouth ended the program with comedy stunts.

Preceding the program, Professor J. Stuart Lathers, of the speech department, announced the sale of season tickets for the lecture and concert course. In previous years two separate courses have been given, but a combined course is now offered.

## STOICS TO MEET ON NEXT MONDAY

The Stoics, honorary scholastic society, will hold a meeting Monday, October 22, at 7 o'clock, at the home of Professor Lathers, just out of Ypsilanti. This meeting will be largely of a social nature, although the policy of the present year will be discussed. Members are to meet at the science building, from which transportation to Professor Lathers' home will be furnished. Those with cars are asked to see Clarence Tarzwell at the science building as soon as possible.

Meeting of all organization reporters, Room 10, Oct. 25, 9 a. m.

## EXTENSION OFFICE TO OFFER COURSES

Classes in various subjects will be offered by the extension department during the fall term. Those which will meet on Saturdays include Botany 203, Seedless Plants, Professor Goddard, 8:30 to 11:00; Health Education 360, Applied Health Education, Dr. Snow, 11:00 to 1:30; and Agriculture 401, Agricultural Economics, Professor Loesell, 11:00 to 1:30; History 152, American History from 1816 to 1837, Professor Pray; and Education 240, Social Psychology, Professor Lott.

Providing the enrollment justifies it, Modern Language 110, Russian Literature, Dr. Ford, and Arts 201, Metal Work and Jewelry, Professor Hatton, will be offered on Tuesday evenings.

All of these courses continue 16 weeks, and each one gives residence credit of four term hours, which will apply either on a life certificate or a degree.

Enrollments will be received in all classes at their next meeting. Other classes will be organized if a sufficient number of students ask for them.

The Detroit Eastern High School cross country team gave Coach G. Marshall's yearling team a scare Tuesday night when they held the Ypsi harriers to the close score of 27 to 28. Morcombe and Bauer, Ypsi freshmen, came in together with the fast time of 10:30 minutes for first and second places.

# Parrot Is Inspiration of Training School Project

**CHILDREN PLANT, CARE FOR FLOWERS TO BE USED TO FEED BIRDS**

A practical training school project has been carried on during the summer months by the children of the Fresh Air Room. The sunflower project was inspired by the natural science parrot when it was taken to visit them last spring, and the children were told that the bulk of its food is sunflower seed.

The project began by planting some seeds that had been purchased for Polly. Under the care of the children the plants flourished, and a few weeks ago the dozens of heads of seeds were carried to the nature study room, where they were bunched and hung up to dry. Some day when the weather keeps them indoors, the children will shell out the seeds. There was such a bountiful harvest that Polly will not need all the seeds, so they are planning to establish feeding stations for our winter birds, which will incorporate bird study. They will crush the seeds for the smaller ones. The seeds will be examined to gain an understanding of the foods on which birds live. They will be found oily; simple starch and protein tests will be performed; they will taste the kernels. The conclusion will be that birds require food much like our own.

The project is completed, only in the sense that the seeds are harvested, but it is leading them to new and more extensive projects.

### YOUR NEWSPAPER

Among the policies of the Normal College News as listed in the style sheet compiled by the editor of last year are several which, perhaps, many on the campus do not know, and which might be of interest.

The aim of the News is to serve as the pulse of campus activities. In order to accomplish this, the following policies are adhered to: 1, To print interesting, attractive, and accurate news concerning persons and events connected with the affairs of this campus; 2, To support all sanctioned activities of the college; 3, To stimulate interest in scholastic work; 4, To bring about better co-operation between faculty and students; 5, To allow space for student and faculty opinion, the writers of which opinion to be known by the editor.

These policies are printed in order that students, faculty members, and alumni may know and avail themselves of the opportunity to contribute news, express opinions, and make suggestions that will be of benefit to the college. The Normal College News welcomes such contributions.

## PONTIAC HIGH NO MATCH FOR YPSI FROSH THINCLADS

Bauer, Morcombe and Arthur Burholdt of the Ypsi yearling harriers copped the first three places in the race with the Pontiac High team Friday. Due to the fine work of these three men, the Pontiac team was completely snowed under by the score of 17 to 38.

Coach Marshall has a very well balanced team. The strength of the squad was evident when five of the first six men to finish were Ypsi harriers.

The order of the finish was as follows: 1, Bauer (Y); 2, Morcombe (Y); 3, A. Burholdt (Y); 4, Newman (P); 5, Arnold (Y); 6, Spink (Y); 7, Chase (P); 8, Grinnell (P); 9, Rapp (P); 10, Johnson (P).

### FROSH MANAGER TRYOUTS

All those wishing to tryout for freshman cross country manager please report to W. D. Booth, varsity manager.

### INTRAMURAL

The horse-shoe tournament is rapidly drawing to a close, with Charles Gregory meeting either Yoselowitz or Stuckey for the title.

## Quips and Quibbles

Seldom, if ever do we stoop to politics, but the following excerpt from the Kansas State Teachers' College Bulletin calls forth some sort of expression of disgust. May we say in introducing the clipping that it is from the Pseudo-Humorous column entitled "Bulletin Bullets." Far be it from us to criticize weak humor or suggestive humor or frankly vulgar humor, but when it comes to rank small town politics applied in a serious (we can't imagine its being meant for humorous) manner we think some criticism inevitable.

"We have never seen Herbert dressed up in a war bonnet but we'll wager a class A sardine that he would look any given number of time more like an Indian than Al Smith ever could. Don't get us wrong, we do not contend that the president of our country should have all the ear-marks of a champion scalp lifter. However we do feel that a man who is to get his room and board free in a swell place like the White House ought to at least be able to show up well in a news photo as that is where we gain our conceptions of the 'Big Noise.'"

Now that may be all right, but if it is our education has been sadly neglected. We can imagine the Razor Backs refusing to vote for William Howard Taft because his moustache needed trimming—

Or for Theodore Roosevelt because his monocle was not becoming—

Or for Mrs. Mabel Willebrandt because she evidently gets her hats where the Queen of England gets hers.

* * * * * *

And while we're in the mood—

Cigarette smoking by women students at Ohio Wesleyan University will be followed by their expulsion from the school, according to the president of the institution. The university also has a ban on student automobiles and student marriages. The women of the university are permitted to dance if they will file a written request from their parents with the dean of women.

My Lord! A college less tolerant than good old Ypsi which leads us to a moral. In the annual event of giving thanks we will remember the situation at Ohio Wesleyan and employ our knees in thanks for the dear broadminded faculty we have here—Who Said That—*

* * * * * *

And from the Willamette Collegian we clip the most optimistical conceited slip a business editor ever made:

"Every Collegian ad is read by every Willamette student."

* * * * * *

Our weakly pun— And so to bed, Ferber or worse.

* * * * * *

*We beg to acknowledge that all responsibility for this remark be hereby accredited to us the editors of this column, and furthermore that the editor-in-chief of this paper be absolved from all blame and malice as regards this statement. We thank you.

## STRONG OFFENSE IS FEATURE OF YPSI VICTORY

(Continued from page one)

punting, passing and defensive work was a deciding factor in the Green and White's success. "Gunny" played a good game at quarter and demonstrated his uncanny ability at calling the signals and choosing the right plays.

The teams battled through a scoreless first quarter, which was featured by a punting duel between VanBuren of Ypsi and Hughes of the Michigan B team. "Hap" outkicked Hughes throughout. Captain Stites made some fine gains in this period but Ypsi did not get within striking distance of Michigan's goal.

LaVoie was injured early in the second quarter, and "Smiling Andy" Vanyo replaced him. Grodsky, Michigan halfback, incepted an Ypsi forward pass and ran to the Green and White 20 yard line before Gunnerson stopped him. Geistert made four through the line and Hughes place-kicked a field goal, making the score 3 to 0 in favor of the Michigan B team.

A flashy overhead attack along with line plunges by Stites and Gunnerson put Ypsi on the eight yard line, from where Captain Stites crashed over for the score. VanBuren's place kick was blocked. Ypsilanti 6, Michigan B 3.

"Lady" Boyd gave Ypsi its second touchdown soon afterward when he caught a short pass from VanBuren and raced 40 yards to the Michigan goal. VanBuren's place-kick was wild. Score at the half: Ypsilanti 12, Michigan B 3.

Stites received the kickoff to start the second half and carried the pigskin to his 25 yard line. After an exchange of punts, Boyd streaked around Michigan's right end and, shaking off several opponents on his way, raced 80 yards to a touchdown. VanBuren placekicked the extra point, making the score 19 to 6 for Ypsi.

VanBuren scored the last touchdown in the fourth period after Stites intercepted a Michigan pass and carried the ball to the opponent's one yard line. VanBuren's place-kick was wild.

Coach Rynearson made many substitutions in the closing minutes of the game.

The summary:

| Normal—25 | | Michigan B—3 |
|---|---|---|
| Abert | LE | Carter |
| Wood | LT | Bergman |
| LaVoie | LG | Fullo |
| Stover | C | Sherwood |
| Farmer | RG | Morgan |
| Shoemaker | RT | Hager |
| Muellich | RE | Keir |
| Gunnerson | QB | Geistart |
| L. Boyd | LH | Grodsky |
| Stites (c) | RH | Bodenwig |
| VanBuren | FB | Hughes |

Substitutions: Ypsi—Brown for Gunnerson, Vanyo for LaVoie, Chanter for Abert, Dierkes for Boyd, Sawdy for Farmer, McMurray for Wood, Partridge for Farmer, Page for Muellich, Morrow for Stites; Michigan B—Wilson for Grodsky, Cook for Sherwood, Lytle for Hughes, Witman for Bodenwig.

Touchdowns: Ypsi, Boyd 2, VanBuren, Stites.

Points after touchdown: Ypsi—VanBuren (place kick).

Field goal: Michigan B—Hughes (place kick).

Score by quarters:

| | | | | | |
|---|---|---|---|---|---|
| Ypsi | 0 | 12 | 7 | 6 | —25 |
| Mich. B | 0 | 3 | 0 | 0 | — 3 |

Officials: Referee, Fisher (U. of M.); umpire, Thompson (Lawrence); head linesman, Dunn (U. of M.); field judge, Grenebaugh (U. of M.).

## ARM OF HONOR WINS TENNIS LAURELS

### INTERCLASS NET CHAMPS IN ROLE OF DOUBLE TITLE HOLDERS AGAIN

Kenneth DeLong of Alma and Bernard Langley of Midland repeated their performance of last year by winning both the Normal College interclass and interfraternity tennis crowns. The Phi Delta Pi had a very strong team in the field composed of James House and Bud Giles. They won every match except the one with the Arm of Honor.

The Chi Deltas copped third place and the Kappa Phi Alpha fourth. The Alpha Tau Delta did not put a team in the field and as a result forfeited every match and finished in the cellar.

The final standing of the teams is as follows:

| | W | L | Pct |
|---|---|---|---|
| Arm of Honor | 4 | 0 | 1000 |
| Phi Delta Pi | 3 | 1 | 750 |
| Chi Delta | 2 | 2 | 500 |
| Kappa Phi Alpha | 1 | 3 | 250 |
| Alpha Tau Delta | 0 | 4 | 000 |

## YPSI GRIDDERS TO PLAY ADRIAN

Michigan State Normal meets Adrian on Normal Field this Saturday.

The Adrian team is not likely to provide much opposition for Coach Rynearson's fast moving aggregation. Adrian lost to Geneva College of Beaver Falls, Pa., in its opening game by a 75 to 0 score. The following week Adrian defeated Central State, 9 to 0. This past week Adrian won from Findlay College, Ohio.

After a poor start against John Carroll, Ypsi has finally begun to play the football they are capable of. Against Michigan B team, the Green and White played heads up football, creating its opportunities and then taking advantage of them.

With the exception of Napoleon LaVoie, the same team that faced Michigan will probably line up against Adrian. LaVoie will be out of the game due to an injured knee.

Coach Rynearson is none too optimistic, even though his team performed very creditably against the Michigan Junior Varsity last week. "Rynie" is moulding a strong eleven for the opening game of the Michigan Collegiate Conference season with Central State a week from Saturday.

All-college party Friday night.

## THEATRES

### "PATENT LEATHER KID" AT MARTHA WASHINGTON STARTING SUNDAY

This historic "Dempsey-through-the-ropes" scene in the Dempsey-Firpo fight has been reproduced for the screen in "The Patent Leather Kid," Richard Barthelmess' big First National production, which comes to the Martha Washington Theatre next Sunday and Monday.

At the Hollywood American Legion Stadium, the thrilling prizering sequences were enacted under the direction of Alfred Santell, with technical advice from several noted pugilists, including Mickey Walker, present holder of the world's middleweight championship. In the scene alluded to, Barthelmess, as "The Kid," knocks Mickey McMinn, who in real life is an ex-pugilist, through the ropes, only to be knocked out himself in the next round.

Thousands of extras were used in these boxing scenes and prominent authorities on boxing acclaim the results as authentic. Barthelmess portrays the title role, a hard boiled fistic artist whose apathetic attitude towards his country's part in the World War goes through an amazing metamorphosis as a tank-nurse in the tank corps. The tank sequences have been produced on a gigantic scale and is the first motion picture epic of the very important part played by these juggernauts in modern warfare.

Don't miss the Faculty Chat on Thursday, October 18, at 4 o'clock.

## APPROVED PARTIES

All-college dance at the Temple October 19.

Twenty-seven men have signed up to participate in the all-campus golf tournament. Director Olds has announced that the winner will receive a statuette, such as given the boxing champions last year. There will be plenty of stiff competition in winning the championship. In the absence of Kenneth DeLong, who won the crown last year, Howard Leach and Charles Gregory are the leading favorites.

## CO-ED BAND FEATURES CHORDS AND DISCORDS RENDERED A LA UKELELE

All the hopes that civilization had finally arrived at Ypsilanti were quelled last Thursday evening when we were walking home from the library. Contrary to the opinion of some, there were no women in the party. Anyway, as the situation stands, we took a course south on Normal Street and would you believe it, Esther, we actually heard seven ukuleles being unmercifully assaulted in the first block. You know, we sort of hoped that such instruments of torture had gone the way of the tie-on-the-elastic and grandfather's hand-painted moustache cup but even we can be mistaken.

To get on with this tale of woe, the first two were manipulated with fair skill but the next one may as well have belonged to a stone-deaf Esquimos for all the harmony its owner wrested from it. We took turns guessing what tune was being plucked off the gut until the fourth one crashed into prominence with what sounded like an original Rhapsody in Blue. In fact, the notes were so blue (i. e., sour, putrid, etc.) that we prayed for four broken strings. The fifth fly-swatter-like lyre was caressed with a bit more skill, but who wants to listen to "Baby Face" this day and age. Probably that was the final effort of some two years practice on that tune. Seems that most of these uke stars take that long to get expert enough to hit all the chords off in a tough melody like that.

The last two brought about the firm conviction that Little Janie wouldn't get a uke for Christmas. They were the best of the whole mob. Both were being mauled with much gusto on the same porch. That in itself wasn't so bad, but why people insist on playing the same tune in two different keys at the same time and then try singing it in a third different key is more than we can tell. From now on any Hawaiians who try to cross our paths will do so only over our dead carcasses. Anybody who would be so heartless as to inflict such an instrument of torture upon the American public deserves dastardly death.

## BAUER, FROSH WINS YPSI NOVICE RUN

**MORCOMBE AND ARNOLD, ALSO FROSH, FOLLOW FOR SECOND, THIRD**

Harold Bauer of Lakewood, O., won the novice run last Thursday in the fast time of 10:40 minutes over the varsity cross country course. Bauer certainly was the class of the field and was not extended by any of the other thinclads.

Morcombe, another freshman, finished second, 31 seconds behind Bauer. Rha Arnold, former Detroit Eastern High track star and a yearling, took third.

D Smith, a varsity reserve man, took fourth. Arthur Burholdt was fifth, and his brother Ralph took sixth. Both are freshmen.

Coach Marshall's prospects certainly took a boost by virtue of the startling performance of five of his freshman harriers. The only disappointment was the failure o f Roy Criger to finish. Much has been expected of the Pontiac boy, but he has failed to come through for some reason.

The first ten men will receive medals. The men and the order of their finish was as follows: 1, Bauer; 2 Morcombe; 3, Arnold; 4, D. Smith; 5, A. Burholdt; 6, R. Burholdt; 7, Adams; 8. Dean; 9, Whitney; 10, R. Spink; 11, Forche; 12, O'Brien; 13, Riley; 14, Dunlop; 15, Henry; 16, Lucty; 17, Henry; 18, Batchelor; 19, Anderson.

---

The annual interclass cross country run will be held Thursday afternoon at 4 o'clock. Three men will team together to represent each of the four classes. The first ten men to finish will receive intramural medals. Low team score will give that team the interclass title.

Gracious and undeniably smart are the lines and details of the newest modes—for lines are paramount this season and we are particularly stressing this important fashion note in our collection of Coats, Dresses and Formal Frocks.

## SODALITAS LATINA ELECTS OFFICERS

A social meeting of the Sodalitas Latina was held Tuesday evening, October 9, at the home of Dr. and Mrs. B. L. D'Ooge. The first part of the evening was taken up by games and a short program. A business meeting follow, in which the following officers were elected: President, Grace Rawson; vice-president, Ernestine Marigold; secretary, Mary Edwards; treasurer, Aletha Burdette. Following this, light refreshments were served to about forty guests.

---

The regular meeting of the Delta Phi sorority was held on Monday evening. Final plans were made for the first rushing party to be held on Friday, October 19. Florence Simmons was appointed chairman in charge of the second rushing party. Julia Ann Marn was elected athletic manager.

## MRS. SANDERS IS HONORED BY TEA

A tea was given by Miss Ada A. Norton at her home, 510 Pearl, Friday afternoon, October 12, in honor of Mrs. Gerald Sanders the new patroness of the Alpha Sigma Tau sorority. Guests present were Dean Jones, Dean Beal, Miss Wilson, Miss Field, Miss Ruggles, Miss Hansen, and Miss Raffington. Miss Eleanor Meston poured.

A social meeting was held at the sorority house, 611 Pearl, on Monday evening, October 8. Mrs. Emma Ritter, the house director, gave a talk about her summer in Europe, which included a tour of eight countries.

The following alumnae members were back for the week-end: Ruth Baxter, Margaret Holcomb, Helen Frostic, Zada Black, Helen Mulaney, and Lillian Lee.

## OPEN HOUSE HELD BY CHI DELTA MEN

The Chi Delta fraternity held open house Monday, October 8. A number of prospective members were present. Professor Pray, head of the history department, and Del Allman, newly acquired member of the physical education department, spoke at some length. Professor Pray gave a very interesting account of his experiences during the summer. "Del" chose for his topic, "Fraternal Spirit." Refreshments were served.

Monday, October 15, a follow-up meeting was held. The following men were pledged: Anderson, Probert, Krecke, Gibson, and Adams. After the meeting Jacobi, Simms and Carson officially opened pledge week by a nocturnal trip some miles from Ypsilanti.

## CHAT COMMITTEE SPONSORS EXHIBIT

Ship ahoy!

We're off!

All aboard for British Isles and the continent!

Ship anchored at Art Gallery pier, Administration Building harbor.

Set sail at 4 p. m., Thursday, October 18.

Free tickets to all college students.

In other words, an unusual exhibition of souvenirs brought from Europe by the faculty members will be displayed in the art gallery on Thursday, 4 to 5 p. m., under the auspices of the Faculty Chat Committee.

Come to see and admire these unique imported articles of beauty and skilled workmanship. Hear the owners tell the story of them and the connotation which they bear.

All departments in the college who have not answered the Faculty Chat letter which they received last week are urged to reply as soon as possible. Early response will facilitate matters and provide means of arranging a more interesting schedule of chats.

Yes, little Italy in Ypsi—and real heather from the hills of Scotland—a rare treat—a trip abroad for all college students and faculty members who can spare one hour—Thursday, 4 to 5 p. m., in the art gallery.

Faculty Chat Com.

## CHURCHES

**CONGREGATIONAL**

The students of the Congregational Church will serve the accustomed lunch Sunday evening, October 21, at 5:30. Immediately following Thelma Yoke will speak on "How Other Young People of the World Regard Christ."

**BAPTIST**

The Baptist student council met with their advisers at the home of Miss Ruth Campbell last Friday evening. Following a four course dinner each member outlined his duties and the advisers chose the branch of the work which they would like to assist.

The deputation committee will carry on its work in the Baptist churches of the nearby cities again this year. This group has been invited to Mt. Clemens the week-end of October 20; other dates will be arranged later.

The membership committee will conduct a campaign in the near future for the purpose of becoming acquainted with all the Baptist students on the campus. Every Sunday evening at 6:15 a student evensong is held in the church, at which time many things of interest to students are informally discussed. Next Sunday James Perdue, '28, will have charge of the service. Also every Sunday evening at 9 o'clock students are invited to attend the Student Friendly Hour at Miss Cadpbell's, 506 Emmet Street.

## PHI DELTA PI MEN ELECT NEW PATRON

At a very important meeting on Monday evening the Phi Delta Pi fraternity elected its patron. Professor H. Z. Wilber, one of the oldest and most suited members, was unanimously elected to the position. Since the death of the original patron, Dr. Charles O. Hoyt, the fraternity has had no patron.

Many of the alumni members were present at this meeting and afterwards cider and doughnuts were served by the local men.

It is planned to have in the near future a memorial meeting dedicated to Dr. Hoyt; also plans are under way to erect on the campus a fitting memorial to Dr. Hoyt.

**Y. W. C. A.**

The Y. W. C. A. membership banquet will be held in Starkweather Hall on Wednesday, October 24. Admission is 35 cents. All members and all other college women are invited.

# White Hyacinths

You know that exquisite utterance about "The Hyacinths" and the "Loaves of Bread." Well, then, I'll tell you another: A man who lived to be only thirty, but in those brief years made his name immortal, said that, each day of our lives, we should read a worthwhile poem, see a beautiful picture, or hear high class music.

No, we do not live "by bread alone"! Mere physical and mental development are not sufficient. With these, we must cultivate our feelings, the imagination, and all the other higher pwers, in order to evolve unto the full-grown stature of manhood and womanhood.

The shop, from which these friendly words issue, wishes to aid the M. S. N. C. students by placing at their disposal objects and materials which may aid in this process of self-culture. What follows is a suggestive list:

Artistic Stationery, Greeting Cards of all kinds, Book Ends, and Novelties; Art Prints; Framed Mottoes and Pictures; Edition DeLuxe Books, and Bibles; and Special Books on Manners, Morals, Sociology, Aesthetics, and Philosophy.
